**Boston Centerless Appoints Impact Ireland <Metals> Ltd. as Exclusive Distributor
for the Republic of Ireland and the United Kingdom**

Woburn, MA – August 22, 2019 -- Boston Centerless, the premier supplier of precision ground alloys and services to the medical device industry, is pleased to announce the appointment of Impact Ireland <Metals> Ltd. as the exclusive distributor of precision bar products to the medical device market for the Republic of Ireland and the United Kingdom.

Impact Ireland <Metals> Ltd. is a leading multi-metal distributor of materials for medical device manufacturers in Ireland and Europe. Their unique combination of trading experience and product range enables them to offer a customer led service with a focus on continuous improvement of people, product and process. “By adding Boston Centerless to Impact Ireland <Metals> Ltd. product offering, we enhance the products and services offered to our customers while helping them improve their products and reduce costs,” said Impact Ireland <Metals> Ltd. Chairman and CEO, Don Clarke.

Impact Ireland <Metals> Ltd. will play an instrumental role in establishing a presence for Boston Centerless in the ever growing medical device industry in Ireland. “There could not be a better partner for us in Ireland and the UK,” said David Smith, Vice President of Business Development for Boston Centerless. “Impact Ireland <Metals> Ltd. knowledge of the Irish medical device market, existing infrastructure and vast experience working with European organizations is unsurpassed. Impact Ireland <Metals> Ltd. also possesses the local resources and high quality service standards that Boston Centerless is known for.”

“As part of our growth strategy, Boston Centerless has not only opened multiple distribution centers to service the entire US, but has also expanded into the People’s Republic of China and other East Asia nations. Growing and supporting our customer base in Ireland was a natural next step,” added Steven Tamasi, CEO of Boston Centerless.

The Boston Centerless / Impact Ireland <Metals> Ltd. partnership will be officially rolled-out to customers at the upcoming Medical Technology Ireland show in Galway, Ireland, September 25-26th.
