**Boston Centerless Receives Workforce Training Fund Grant
from the Commonwealth of Massachusetts**

Woburn, MA – February 8, 2021 -- Boston Centerless, a leading supplier of precision ground bar materials and services, is pleased to announce it has been awarded a Workforce Training Fund Grant for \$183,180 to provide training for its personnel. The funds will be used for training in the areas of LEAN manufacturing, customer service and ESOL (English to Speakers of Other Languages). The company currently employs 116 people.

Boston Centerless is committed to ongoing training to upskill our workforce,” said Steven Tamasi, CEO. “The Workforce Training Fund Grant gives us the valuable resources needed to provide opportunities for professional development and help us achieve our corporate growth objectives.”

This project is funded by a Workforce Training Fund grant from the Commonwealth of Massachusetts, Executive Office of Labor and Workforce Development. The grant program is administered by Commonwealth Corporation.
